### Honoring LBJ and MLK

**UNVEILING**—On the national remembrance day for Dr. Martin Luther King, Jr., members of the San Marcos City Council and the Hays County Commissioners unveil a sign at the crossroads of LBJ and MLK Drives in San Marcos where a memorial to President Lyndon Johnson and Dr. King will be constructed. The intersection is the only one known in Texas honoring the two national leaders who transformed civil rights in the United States with the civil rights movement leading to the passage of the Civil Rights Act of 1964. L-R are Council Members Fred Terry, Kim Porterfield and John Thomaides and County Commissioners Will Conley, Debbie Ingalsbe, Jeff Barton, Karen Ford and County Judge Liz Sumter.
