

Internship Goal Setting and Expectations

We believe that an important part of your internship experience is to meet with your Internship Site Coordinator and review your position description and develop goals and expectations for your internship experience. Setting goals now will assist in you getting the most from your work experience.

Please use this form to outline 5 or more goals which are directly related to your internship experience. Also feel free to use this form as a platform for initiating a discussion at your site about what kinds of experiences and skills you would like to have and learn during you internship. You may attach a page if you need more room.
