

## The Minor in Honors Studies

<http://www.txstate.edu/honors>

Academic requirements for the minor in honors studies:

- Completion of seven honors courses for a total of 21 hours.
  - The 21 hours must include HON 4390A and 4390B along with two advanced honors classes (i.e., four of the seven honors courses must be advanced).
  - Completion of HON 4390B, the Honors Thesis with approval signature of the honors director and thesis supervising professor.
  - See Academic Checklist below for more details.
- Evidence of study abroad/international experience or cross-cultural competency. (Submit a 2-3 page essay summarizing the experience and exploring any insights gained. )

Completion of the minor also fulfills the requirements to graduate in the University Honors Program as long as the student's GPA is at least 3.25.
